

TELANGANA STATE PUBLIC SERVICE COMMISSION: HYDERABAD.

**WEB NOTE**

Few representations have been received by TSPSC Helpdesk on 27<sup>th</sup> morning stating that they were able to access the response sheet for AEE(Civil) by modifying the AEE (Electrical) response sheet URL.

The TSPSC uploads the response sheets of the candidates a few days after the conduct of exam to enable the candidates to see their responses and to raise objections to the questions if any.

AEE (Electrical) examination was conducted on May 8<sup>th</sup>. AEE (Civil) Examination was conducted on 21<sup>st</sup> & 22<sup>nd</sup> May 2023.

The live link pertaining to the response sheets of the candidates for AEE (Civil) exam was made available on 26/05/2023 at 05:00PM with URL at <https://www.digialm.com/EFForms/configuredHtml/1222/83010/login.html> to host on the TSPSC website. To upload such response sheets and to develop key objection service on the TSPSC website, the service provider Centre for Good Governance (CGG) takes 1-2 days.

It is to clarify that AEE (Electrical) examination response sheet was accessible in TSPSC website at <https://cdn.digialm.com/EFForms/configuredHtml/1222/83008/login.html>. The URL for AEE(Civil) examination was also the same except the Eform ID which was 83010 (as against 83008 for AEE Electrical). Meanwhile some of the candidates by following trial and error method and by sequence of previous exam have tried the above URL number and have downloaded the response sheets which in any case would have been available on TSPSC website by 27/05/2023.

The response sheets with preliminary keys for AEE (Civil) are available in the TSPSC website from 27/05/2023.

Hence the candidates need not have any apprehensions.
